Dear PSAC Local 901:

On behalf of the 54,000 members of the Canadian Union of Postal Workers, I want to thank you for your support and solidarity during our recent fight with Canada Post and the Harper Government.

CUPW will be relying on your support and solidarity as we enter into bargaining with Canada Post for the rural and suburban mail carriers.

Even though we have been ordered back to work, our fight is not over. CUPW's members' heads are held high and we will continue to work for respect, equality and a public post office. We will demand our rights in the workplace, and continue to work with allies for fairness for postal workers and to regain our right to free collective bargaining. We will work with our allies for justice locally, nationally, and internationally. We are proud of the struggle we have waged and are determined to continue.

In Solidarity,

Denis Lemelin  
National President
