June 2011

Dear Public Service Alliance of Canada Ontario:

On behalf of the PSAC local 901, representing over 1200 graduate-student teaching assistants and fellows, we would like to send our appreciation for your participation at our 2011 Union Day at Queen's University. With our combined efforts we were able to send a clear message to our employers and communities about our ability to stand together in our common struggle against oppressive forces.

We are particularly grateful for your ongoing support of our initiatives and are proud to be a PSAC Directly Chartered Local. For Union Day, not only did you help us bear the largest portion of the costs, PSAC representatives, Chris Wilson, Shell Sweeney, and Lorraine Diaper facilitated breakout discussions about unions and unionisms. Thank you! You make it possible for us to participate not only in our union, but in the larger labour movement.

As our new local develops, we hope to build strong and lasting relationships with union locals and community groups at Queen's, in the broader Kingston Community, and in our shared movement.

In solidarity,

Executive,  
Public Service Alliance of Canada local 901,
