The grievor and the Representative who accompanies the grievor will not suffer any loss of pay as a result of attendance at meetings between the Employer and the grievor.

## Appendix D - Childcare Benefit Plan

### Eligibility

1. An Employee who satisfies all of the following criteria ("Eligible Employee") will be eligible for reimbursement of Eligible Childcare Expenses incurred under the Childcare Benefit Plan:
  - a. The Employee held an appointment at the time the expense was incurred;
  - b. The Employee has at least one Eligible Child under the age of seven (7) with respect to daycare, and/or at least one Eligible Child under the age of twelve (12) for purposes of Eligible Childcare Expense other than daycare.
2. "Eligible Child" includes a natural, step, foster, ward, common-law, or adopted child of an Eligible Employee under the age of seven (7) or twelve (12), depending on the type of Eligible Childcare Expense as per paragraph 1.b
3. "Eligible Childcare Expense" generally includes an expense incurred for the purpose of providing child care services to an Eligible Child, including daycare, before and/or after school care, professional activity days and summer camps, subject to restrictions set out below.
4. Except as set out in paragraphs 1, 2 and 3, capitalized terms in this Appendix are defined under Article 3--Definitions of this Agreement.

### Plan

5. Applications for reimbursement may be submitted once per benefit year by an Eligible Employee. Applications must include proof of attendance and rates paid for benefit(s) within the benefit year. Applications for reimbursement and supporting documents must be submitted by February 1 following the benefit year in which the Eligible Childcare Expense(s) were incurred.
6. The nominal value of the fund established for this plan is \$55,000.00 per annum; therefore, the combined plan maximum for reimbursements that will be paid to all Employees in the Bargaining Unit is \$55,000.00 annually.

7. This is a taxable benefit.
8. Reimbursements for Eligible Childcare Expenses are subject to the following restrictions:
  - a. Eligible Employees will be eligible for a maximum reimbursement of \$2,000.00 per child per benefit year, subject to further restrictions set out in this Appendix, including, without limitation, paragraph 6;
  - b. There is no carry-over provision if the amount outlined above in 8.a. is not used per year;
  - c. Reimbursements are limited to 50% of the amount paid by an Eligible Employee for Eligible Childcare Expenses each benefit year;
  - d. These funds will be renewed on July 1 of each year of this Agreement. Should the eligible claims exceed the total amount available in any given benefit year, the reimbursement amounts will be prorated based on the number of eligible claims. Funds will not be borrowed from future plan years, *i.e.* there will be no deficit in any given year. If the value of all eligible claims is less than the total amount available, there will be no carry forward to the next year, and the unused amounts will be retained by the Employer;
  - e. There are a number of similar plans covering various employee groups at the University. If both parents are employees of Queen's University and each parent is covered under this Childcare Benefit Plan or under a separate Queen's University plan, only one claim per child will be reimbursed by the University;
  - f. Reimbursements will be made only for childcare expense payments that satisfy Canada Revenue Agency's definition and interpretation of "Childcare Expense Deduction";
  - g. Daycare reimbursements will only be made if the Eligible Childcare Expenses are incurred at the usual facility attended by the child. Reimbursements will not be provided for casual or emergency care;
  - h. The maximum half day daycare reimbursement will be \$10.00 per day. A half day is defined as a minimum of four (4) hours and less than six (6)

hours, where the parent is being charged a half day rate by the daycare facility;

- i. The maximum full day daycare reimbursement will be \$20.00 per day. A full day rate is defined as a minimum of six (6) hours, where the parent is being charged a full day rate by the daycare facility;
- j. If a monthly rate was paid, maximum daycare reimbursement for half day attendance will be \$220.00 or full day attendance will be \$440.00;
- k. The daily maximum reimbursement for before, after or both before and after school programs will be \$5.00;
- l. If a monthly rate was paid, maximum reimbursement for before and/or after school programs will be \$110.00;
- m. The daily maximum reimbursement for professional activity days will be \$5.00; and
- n. The daily maximum reimbursement for summer camps will be \$5.00.

**Letter of Agreement**  
**re Queen's Family Health Team Pilot Project**

**Between**

**Queen's University ("Employer")**

**and**

**The Public Service Alliance of Canada Local 901 Unit 2 ("PSAC")**

**Herein after referred to as "the parties"**

Whereas PSAC has identified a priority of increasing access to healthcare services for Employees and their family members; and

Whereas the Employer has, through consultation with Queen's Family Health Team ("QFHT"), arranged to implement a pilot project in which Employees and their family members will be provided with direct access to family healthcare services through QFHT;

The Employer and PSAC agree that:

**1. General**

- 1.1. Subject to paragraph 3.3, the Employer will endeavour to provide a process of direct access to the family healthcare services of the Queen's Family Health Team ("QFHT") as a Pilot Project for the term of the current Collective Agreement between Queen's University and PSAC, Local 901, Unit #2 ("Agreement") only. This Pilot Project will not be continued in subsequent terms of this Agreement unless it is specifically agreed upon by the parties to this Agreement in future rounds of collective bargaining.
- 1.2. QFHT is a collaboration of Queen's University ("University") physicians within the University's Department of Family Medicine, post graduate resident physicians and other health care professionals who provide patient-centred care. QFHT will provide primary health care to Employees and their "family members" (defined below, and in Article 3 – Definitions).
- 1.3. As an academic teaching centre, QFHT is part of the University's Department of Family Medicine, providing a teaching environment for family medicine residents. QFHT provides services to patients at two Kingston locations, including 220 Bagot Street and 115 Clarence Street both of which also serve as post-graduate medical education facilities. At QFHT, patients must be aware of, and agree to, the teaching nature of the QFHT clinics. In this setting, patients will see their family doctor (or other health care provider such as a nurse practitioner) along with residents at the clinic. Residents work under the supervision of a staff physician.

1.4. Unless otherwise indicated, all capitalized terms in this Letter of Agreement are defined in Article 3 – Definitions.

1.5. For the purposes of this Letter of Agreement, a "family member" means the spouse or partner of an Employee (i.e., the legally married spouse of an employee, or a person of the opposite or same sex who has continuously lived with the employee for a period of at least one year in a conjugal relationship outside marriage.), or a dependent child of the Employee (including a natural child, adopted child, foster child, ward, or step-child), or a person in respect of whom an Employee is the legal guardian.

## **2. Process for Direct Access to Family Healthcare Services**

2.1. Eligibility: Subject to the terms and conditions set out below, Employees (i.e. currently appointed Postdoctoral Fellows) and their family members will have direct access to a family physician within the family practice clinic of the QFHT. During this Pilot Project, Employees will gain access by contacting QFHT directly.

2.2. Monthly, the University will provide QFHT with an up-to-date list of the names of all Employees. The University will not provide further information about the Employees to QFHT, and QFHT will use this list only for the purposes of confirming the identity of Employees who contact QFHT to obtain family medical services. QFHT will not redistribute this information, or use it for other purposes. Employees who wish not to be included in this list may opt out by emailing the Faculty Relations Office, Office of the Provost and Vice Principal (Academic) at [faculty.relations@queensu.ca](mailto:faculty.relations@queensu.ca).

2.3. QFHT will establish a single, initial point of contact for Employees and their family members to access a family physician. Contact information for this point of access will be published on the Faculty Relations website. Employees who seek access to a family physician will initiate access through this point of contact.

## **3. Other Terms & Conditions**

3.1. This Appendix establishes a process for direct access to a family physician at QFHT. Employees must make an appointment at a time and location determined to be suitable by QFHT (i.e. this is not a walk-in clinic service).

3.2. Employees and their family members who make and attend appointments at QFHT should have their health insurance information readily available. Employees and their family members are responsible for ensuring family medical services are paid for, whether under the Ontario Health Insurance Plan or otherwise.

3.3. The parties to the Agreement agree that this is a Pilot Project and that it may be cancelled by the Employer. If the Pilot Project is cancelled, no Employee enrolled in the Pilot Project shall lose access to the QFHT.

Letter of Agreement ("LOA")

Re: Appendix D – Childcare Benefit Plan – First Year Administration

Between  
Queen's University ("Employer")  
and

The Public Service Alliance of Canada Local 901 Unit 2 ("PSAC")

Whereas the Employer and PSAC agree that the Childcare Benefit Plan described in Appendix D of the Collective Agreement ("the Plan"), will be administered differently in the first year of the renewed Collective Agreement (i.e. July 1, 2016 to June 30, 2017) ("the First Year") and they have, therefore, entered into this LOA to record their agreement, specifically:

1. Appendix D will govern administration and interpretation of the Plan, except as provided for in this LOA with respect to the First Year.
2. For the purposes of this LOA, during the First Year, the benefit year is the period commencing July 1, 2016 and ending December 31, 2016 ("the Benefit Period"). Eligible Employees who incur Eligible Childcare Expenses during the Benefit Period may submit an application for reimbursement in accordance with this LOA.
3. In the First Year, notwithstanding the fact that the Benefit Period is only six (6) months duration, the nominal value of the fund (described at Paragraph 6 of Appendix D) will be \$55,000.00, and the maximum reimbursement (referred to at Paragraph 8a. of Appendix D) will be \$2000 per child for the Benefit Period.
4. There will be a six (6) week window ("Application Window") for Employees to apply seeking reimbursement of Eligible Childcare Expenses they incurred during the Benefit Period. The specific dates of the Application Window opening and closing will be determined by the University following ratification of the renewed Collective Agreement. Payments will be made approximately two (2) months following the closing of the Application Window subject to monthly pay deadlines.
5. This LOA will expire, and cease to have any force or effect, following the payments referred to in Paragraph 4 of this LOA.
