Philosophy Department - Teaching Assistant, Research Assistant

I am a current MA student in the Department of Philosophy (next year I will be a PhD student in the Department of Philosophy). I am currently employed as a TA for the Department of Philosophy, and an RA for the School of Law. I completed my undergrad at Trent University (Philosophy), and then attended Swansea University in the UK to study law. While at Swansea, I served in a variety of extra-curricular positions, including serving as Women's Officer on the Executive Committee of the Swansea University Student Union. I was also a Student Representative for my cohort, President of the Canadian Law Society and President of the Feminist Society. This year at Queen's, I have involved myself in the Philosophy Graduate Student Association, and I work for the Society for Graduate & Professional Students as a Graduate Student Advisor. As such, I feel like I have ample experience to serve as Information Officer for the PSAC Union, and I would be excited for the chance to represent my fellow graduate student workers!
