Faculty of Education - Research Assistant

My name is Ikeoluwapo B. Baruwa and I am currently employed as a Research Assistant in the Faculty of Education. I am passionate about creating a safer environment for everyone, including students, faculty members, staff, and visitors. As such, I am interested in running for the position of Health and Safety Officer. My membership in the Joint Health and Safety Committee (JHSC) has provided me with valuable training opportunities, and I am dedicated to further enhancing my knowledge in providing a safer environment for all. With a focus on teamwork, I am eager to collaborate with other Union executives to create an optimal experience for all members. Being a racialized and emerging scholar, I am confident that I can offer a distinct perspective to the Union, especially during the ongoing efforts to advance equity. If elected as the Health and Safety Officer, I will work closely with the Treasurer in ensuring that utmost priority is given to the timely payment of JHSC members and ensure that all activities are conducted seamlessly. Furthermore, I will closely collaborate with the Department of Environmental Health and Safety to fulfil the demands and expectations of the JHSC members.
