

Union Statement of Solidarity with the Iranian Community

In light of the ongoing and deeply distressing developments in Iran, our union expresses its unequivocal solidarity with members of the Iranian community at our university and beyond.

We acknowledge that these events may be profoundly unsettling for students, staff, and faculty with personal, familial, or cultural ties to Iran. Periods of political violence, repression, and instability can cause significant emotional distress and disrupt individuals' ability to work, study, and carry out their daily lives.

As PSAC, we reaffirm our unwavering commitment to human dignity, fundamental rights, and the well-being of all our members. We stand firmly for academic freedom, personal safety, and the right of individuals to live without fear or persecution. We are committed to fostering a campus environment grounded in care, respect, and solidarity, where those affected feel seen, heard, and supported.

We stand with our Iranian colleagues and students during this difficult time and call on our university community to respond with empathy, solidarity, and collective care.

In Solidarity,

PSAC 901 Executive
